SUNDAY RAIN PLAN

- 1. On track activities will be suspended until the track is in race condition.**
- 2. A PA call with horns will be made approximately 1 hour before the anticipated opening of the track.**
- 3. Once the track is deemed to be in race condition the meet will be run with the following schedule:**
 - a. 15 min Superbike warmup**
 - b. 10 min break**
 - c. warm up lap (No sighting lap)**
 - d. Superbike Race (18 laps)**

 - e. 15 min Supersport warmup**
 - f. 10 min break**
 - g. warm up lap (No sighting lap)**
 - h. Supersport Race (12 laps)**

 - i. 15 min Superstock warmup**
 - j. 10 min break**
 - k. warm up lap (No sighting lap)**
 - l. Superstock Race (12 laps)**

(Any races run to 50% will be considered complete)

- 4. If the rain has not stopped by 4pm, Sunday's events will be canceled.**
- 5. If the Superbike race is completed the meet will be considered complete regardless of whether Supersport or Superstock is completed.**
- 6. Should no races be completed on Sunday the meet may be moved to Monday.**

At this time the availability of Monday for on track activities is in question.

More information will be released after Noon.

- 7. In an attempt to service the fans, teams are asked to still hold autograph sessions on or around the scheduled 11:20 start time for as long as possible, unless on track activities can resume during that time.**
